Caring Card Ministry: 26 cards were sent in July.

Sewing for Smiles: Dresses are being sent to Nicaragua. We will also continue to send them to Haiti. We need to make smaller dresses - toddler sizes 2-5. We should continue to make boys shorts, also, the small sizes - toddler 2-5.

June/July Outreach: Today we are making lunch (picnic theme) at the N.E.W. Community Shelter. We needed all of us present (8) to make and serve the meal.

Future Community Shelter Meals: Today the meal was prepared and served. Great job everyone. Renee will contact Abby to see if there are future dates that we make and serve meals.

Facebook: We should post more on the Peace Lutheran page. We have been getting good feedback. Dawn will find out from Melissa if she can get administrator privileges to post Full Circle info and pictures.

Thrivent Thank you/Appreciation Event on August 14th at Legends in DePere at 6:00. Call the Thrivent office to RSVP to Dave or Ben.

May/June Outreach – “The Pool” Grocery Challenge went well. We think approximately 40 bags were collected—20 to Pulaski and 20 to Howard. When is our next grocery challenge? We will decide at the September meeting.
