Sewing for Smiles: Sandy Lindstrom introduced the idea of possibly sewing hygiene kits for young girls in foreign countries (Haiti?). A group could be scheduled to come to one of our meetings to show us how to do this. We would need to purchase the liner. They are usually sewn with a bag for giving the first time. Sandy will look into someone coming in January or February if possible.

Future Community Shelter Meals: Linda W. and Debbie S. will continue contacting them to get dates when we can prepare/serve.

November Outreach: Coats for Kids: We collected 32 coats, 5 snow pants 3 hats and 3 scarfs as of 11/1/18.

Compassion Sunday: Coordinator - Lynn April (mid-February disperse information out to the congregation). Lynn will send for the video and packets and they will send her the names of kids that people may want to "adopt" to help. Lynn was not in attendance to explain this further—we will discuss more in January.

Ladies Tea: We will start details in January.
